THE BAR

Our bar can be used as a servery for consumption within the hired auditorium. Sadly, the space is too small to allow this area to be hired exclusively during an event, as it only holds in the region of forty-five guests. Also, we need to keep this space relatively clear as not only the doors to the three hundred seat auditorium lead off the bar but also both the ladies and gents toilets are accessed from the bar space.

Many of our private hire clients choose to do a post or pre-show reception at one of our many neighbours' spaces, you can find a list with contacts on our hires page.

If you would like us to serve on entry to your audience, you can find the latest price list on our hires page. You may prepay or run a tab on the day, the choice is yours. We only ask the tab is cleared by card on the day of the event.

THANK YOU for reading and considering us for your event. If you have any further questions, we'd be happy to assist.

Please e-mail:

privatehire@princecharlescinema.com
where one of our team will respond to your request.

Where possible, please state: Date in question, in time and out time, and any event detail you have if looking for a quote.
